**Dear ASBC National Federations,
Presidents & Secretary Generals**

Hope this letter finds all of you very well and safe.

Further to our ongoing development program, I would like to inform you that we have allocated a specific amount of fund in the next year's budget to support the developed federations in Asia.

Consequently, I will establish an ad hoc committee to consider all the submitted application forms; I was supposed to inform you earlier, but due to my candidacy for AIBA presidency, I postponed it not to be viewed as a conflict of interest.

Our program aimed to support the federations for the following aspects:

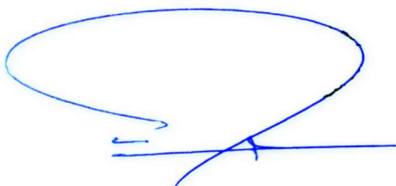

- 1- Teams participations
- 2- Equipment
- 3- Courses
- 4- Logistics

Finally, I urge you all to keep your preparation at the highest level for the next Olympics qualification, event, the Tokyo Olympics Game 2021, and ASBC Championships, considering all the precautionary measures for COVID 19.

Best Regards,

Anas Alotaiba

Asian Boxing Confederation

Note: ASBC Executive Director will contact you soon regarding all the procedures.
