Dear National Federations,

On behalf of the ASBC, I would like to inform you of a minor change regarding the ASBC Asian Elite Men's and Women's Boxing Championships. Due to the current situation in the region, and at the request of the host country, the competition will be relocated to a different country to ensure the safety and security of our boxers, officials, and staff.

At this time, there are no significant changes to the scheduled dates, though there may be an adjustment of one or two days. Please continue your preparations, and rest assured that the ASBC is committed to providing a safe and competitive environment for all participants.

Thank you for your understanding and cooperation. The details will be announced shortly, and we look forward to an outstanding championship together.

Best regards,

Ali Salameh

ASBC Secretary General
